OVERVIEW

How about the chance to represent one of today's most recognizable brands?

Baristas are the face of Starbucks. They are an important part of our customers' days, and experts in handcrafting delicious, perfect beverages. Baristas personally connect and create moments that make a difference and work together to create a welcoming store environment. They bring our mission and values to life—for our customers and each other—while proudly wearing the green apron.

At Starbucks, it's all about connection. People are at the heart of who we are, especially the people that are a part of our store team. We connect with each other, our customers and our communities to make a positive impact every day. We believe in working together to make a difference and in celebrating our shared success, which is why we call ourselves Starbucks "partners." Starbucks is a place of warmth and belonging, where everyone is welcome, and we value the unique experiences that each partner brings to our team!

As a Starbucks barista, you'll create the Starbucks Experience for our customers through excellent service and expertly crafted products. You'll be in an energetic store environment where you'll have the ability to master your food & beverage craft, work alongside friends and meet new people every day. A cup of coffee and smile can go a long way, and we believe our baristas have the power to be the best moment in each customer's day.
